Foreward

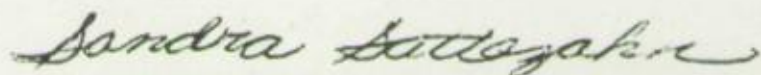

What does your yearbook really mean to you??? Do you buy a book just because everyone else does, or because you want everyone's autograph?

Our Poppy was written for the pleasure of all, but especially for those of Winters Joint Union High School so that we may always turn its pages to everlasting memories of our wonderful years at Winters High.

Editing the Poppy has been a great pleasure for me this year. Although the responsibilities were tremendous, the Poppy Staff was a great help. The accomplishments of my dear Poppy Staff and I were truly rewarding.

I wish to thank the Poppy Staff, Mrs. Gray, Mr. Gerber, the faculty, and all the students for their help.

Editor,

Senior History

In the fall of 1958, fifty-four lively freshmen walked through the doors of Winters Joint Union High School. Our first assignment was to attend the freshman reception. After we were all settled and accustomed to being in high school, we elected Bob Graf our President to guide us through our freshman year.

Betty Carrion was chosen as a candidate for Homecoming Queen, Sweetheart Attendant and majorette for the Winters High School Band.

James Akao was nominated for King Coed of the F.H.A. and G.A.A. Dance.

Our advisors for that year were Miss Stumbles and Mr. Triplett.

After three months of easy living we started our Sophomore year on September 5, 1959.

Our class President for the year was Leland Jeffery.

The Sophomore Hop and our Youth Day float were two major events of the year.

Candy Holley was our charming Homecoming Queen Attendant and Judy Allsip was our lovely Sweetheart Attendant.

We were well represented in social activities that year. Janet Watterson and Sandra Sattazahn were songleaders, Judy Allsip was one of the mascots and Betty Ann Carrion was a majorette.

Our last duty of the year was decorating for the Baccalaureate Exercises.

Mr. Triplett and Miss Eileau were our advisors.

We started our Junior year off with a boom. Finally - upperclassmen.

Spider Thomas was elected President.

Representing our class as Homecoming Queen Attendant was Gail Burgess and Janet Watterson was chosen Sweetheart Attendant.

Betty Carrion was chosen Head majorette. She was also one of the mascots.

On April 7, 1961 we sponsored the Junior Prom. It was a smashing success with everyone pitching in and doing their share of work. The theme was "With A Song In My Heart," and the Joe Lawson band entertained the evening guests.

Spider Thomas was unanimously elected S.C.A.L. Most Valuable Player of the year for the 1961 basketball season.

Janet Watterson and Spider Thomas were chosen as ushers for the 1961 graduating class.

This year we had new advisors, Mrs. Lynn and Mr. Randolph. We truly appreciate all the help they gave us on this difficult year.

Coming back as Seniors, we felt very sad because we knew this would be our last year here at Winters High.

Colean McAntosh was elected President of the Student Body and then we chose Leland Jeffery as President.

The three yell leaders of 1961 and 1962 were from the Senior Class: Janet Watterson, Betty Carrion, head, and Sandra Sattazahn.

Janet Watterson was voted Homecoming Queen Attendant for the 1961 football season.

"Melody of Christmas" was the theme of our Senior Ball held on December 16, 1961. Joe Lawson again entertained the evening guests.

Betty Carrion was elected Sweetheart and Janet Watterson represented us as Attendant.

As the year ended we had our Senior Banquet, Baccalaureate and finally the big night came--graduation.

We would like to thank our advisors, Mrs. Lynn and Mr. Randolph for their patience and guidance throughout the past two years.

This year, as in the past, the FFA contributed greatly to the well-being of our school, and community. The chapter donated, as a Community Service, handsome barrels, which were placed at strategic points on Winters school grounds.

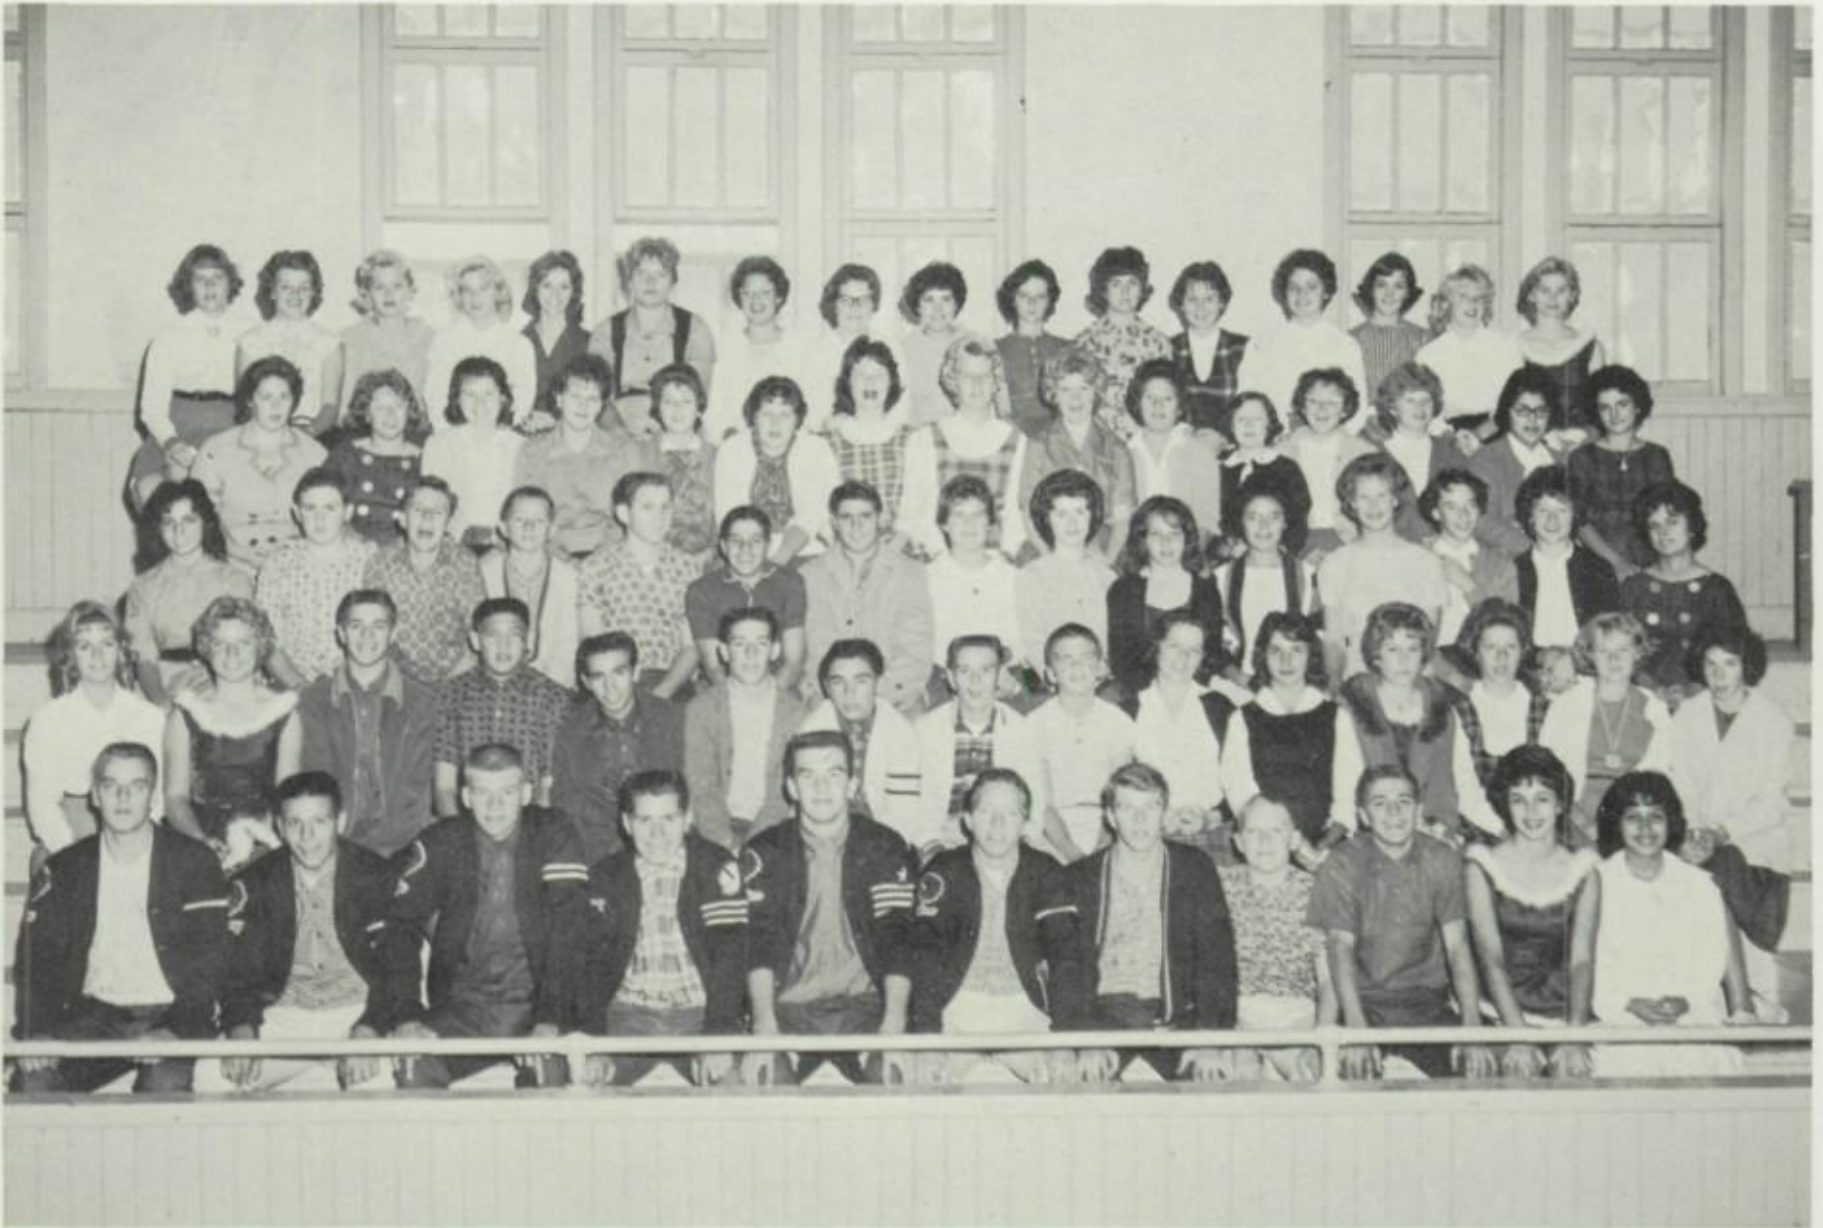

The FFA also started something new. Our chapter is one of few to have begun a Scholarship Fund for some lucky senior who will major in Agriculture in College. All FFA boys contributed work on a designated Work Day in which all profits from their time and effort are donated to the Scholarship Fund.

Our FFA is now working toward their eighth Master Chapter accomplishment in eight years. This is a tremendous accomplishment in that they are one of very few chapters in California to attain this position.

Opening the eight game schedule the young and inexperienced Warriors traveled north to meet the Yellowjackets of Williams High and came home proud of their accomplishment in holding the bigger and more experienced gridgers of the Sacramento Valley League to a nothing to nothing tie. While gaining more experience and "savvy" the Warriors played host to Maxwell and Calistoga and successfully defeated the two teams by counts of 13 to 0 and 9 to 6. Now being prime for a defeat, because of their two successive wins over Maxwell and Calistoga, the Warriors met the strong Mustangs of Ione and also met their first defeat of the year. Working hard, due to their first defeat handed them by Ione, The Warriors went into the Colfax game fighting mad and came out happy Indians as they scalped the Falcons 39 to 6. Suffering a possible let down and many injuries the Warriors traveled to Courtland and came home with even more injuries and a league loss to their credit. Now, working more strenuously during the week's practice the Warriors once more got off their backs and countered to whip the stubborn Clarksburg Comets 12 to 7. The Warriors with four first stringers out of the lineup traveled to Dixon to meet their archrival Rams. Fighting with only spirit and heart the Warriors gave the championship bound Rams a scare for the first three quarters; but because of limited personnel the Warriors failed to cope with the larger and faster moving Dixonites and went down to a crushing 48 to 24 defeat.

The Warrior football squad and Student Body would like to thank John Kammerer, John Cavglieri, and Jim Trigsted for their fine coaching which brought a successful 4 wins 3 losses and 1 tie season.

The Poppy Staff also congratulates Joe Young, Byron Randolph, and James Akao for first team ALL-SCAL honors and Doug Baldrige, Steve Meyer, Don Schroeder and Gary Molina for second team honors

Although not winning a game all year, the Junior Varsity members gained valuable experience, and showed much improvement as the season progressed. With a little more experience, several fine prospects are in the making from this young group of boys. Sophomores Donnie Young, Sam Lopez, Howard Little, and junior Walter Little should be recognized for their fine and improved play over last year.

Track

We are very happy to announce that Winters Joint Union High School's this years track team is one of the largest track teams it's had in many years.

Everyone seems to be interested in track this year, even the GIRLS.

Even though it takes a lot of running and exercises to make the team the girls seemed to stay up with the boys. This really shows enthusiasm.

Since the yearbook must meet its deadline it was impossible for the track team's picture to be in the book.

The yearbook staff would like to show their congratulations by at least printing this short write-up.

Homecoming Queen

GERALDINE MARTIN

Our charming Homecoming Queen, Geraldine Martin, has held many positions in high school. In her sophomore year, she ran for Homecoming Queen, and was also chosen Sweetheart attendant. And now as a Junior she has won the honor of Homecoming Queen for 1961.

The Winters Warriors, not having their best season, had a league record of 3 wins and 11 losses. The Warriors record is not a symbol of their playing, for on several occasions the Warriors came close to a victory but could not put in the winning 2 points.

Spider Thomas was the Warriors most outstanding player with a 24. average in league play. "Spider's" average placed him in as second high scorer in Northern California.

The members of the "A" team would like to thank Mr. Aguiar for his guidance as our coach.

Second Row: Mr. Cavaglieri-Coach, D. Harris, P. Graham, D. Young, B. Harris, W. Little, P. Donaldson.

The 1962 "B" Basketball team didn't have a very successful season statistic-wise, but it was a highly successful season for those who played under Coach John Cavaglieri. We learned what it means to be on a team.

Coach Cavaglieri had to work with a bunch of youngsters who had no experience. There were a few boys who had played on the previous years' "B" team, but weren't used to a great extent. The Coach took these youngsters and worked them hard.

The league was a great deal larger this year with addition of bigger schools like, Galt, Davis, and Benicia. The first half of league play gave our team the experience it needed. When the second half started we were ready to take on any S.C.A.L. team and give them a fight. The members of the 1962 "B" basketball team would like to thank Coach John Cavaglieri for the help and guidance he gave us, and may next year's team be the winner he has wanted.
